INTRODUCTION

The IPPF Library Bulletin is a quarterly accessions list of books received and catalogued in the library of the IPPF Central Office in London.

Purchase of Books

An alphabetical list of relevant publishers and their addresses will be found at the end of this issue, and in the interest of speed and efficiency those wishing to obtain copies are advised to order direct from the publisher or their local bookseller. It is not possible for the IPPF Central Office to deal with orders for material, other than IPPF publications.

Prices

The price for all books is given as the publishers' list price, which is not necessarily the price that the IPPF paid. Where the price is indicated as 'not known', in many cases the book may be free of charge, but this should NOT be assumed when ordering. It is sometimes possible to arrange a small discount on large orders with a local bookseller.

Loans of Books

It is not feasible for IPPF to loan books from the Central Office Library, overseas, because of the great risk of loss, damage and delays, and high postal costs involved. Readers of the Library Bulletin may be able to borrow certain books from IPPF libraries situated in the following Regional offices:-
